Career Objective

Certified Ethical Hacker with a strong foundation in Cyber Security, Network Security, and Cloud fundamentals. Hands-on experience with vulnerability scanning, penetration testing basics, and security tools such as Nmap and Burp Suite. Skilled in secure application development, REST API security, and system hardening concepts. Seeking an entry-level role in IT & Information Security where I can apply technical knowledge to protect systems and support organizational security operations.

Technical Skills

- **Cyber Security:**
Vulnerability Assessment, Basic Penetration Testing, OWASP Top 10 Security Risks, Network Security Fundamentals, System Hardening Concepts, Basic Cloud Security
- **Security Tools:**
Nmap, Burp Suite, Wireshark (Basics), Kali Linux (Basic Usage)
- **Frontend:**
HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Shopify.
- **Backend:**
Node.js, Express.js, MongoDB, MySQL, REST API Development, JWT Authentication.
- **Tools:**
Git, GitHub, VS Code, Chrome DevTools, Basic Linux Commands.
- **Others:**
Responsive Design, UI/UX Principles, Basic SEO, Secure Coding Practices.

Education

Master of Computer Applications (MCA)

Ganpat University, India — Graduating 2026

CGPA: 8.10(Pursing)

Bachelor of Computer Applications (BCA)

Ganpat University, India — Graduating 2024

CGPA: 8.34/10

Certifications

- Full Stack Web Development – Udemy (2025)
- Ethical Hacker — Cisco Networking Academy (2025)
- Python for Beginners – IIT Bombay (2025)

Professional Experience

Software Developer Intern

Cartrends Pvt Ltd — Delhi

- Customized Shopify themes using **Liquid, HTML, and CSS** to improve design and user experience
- Managed **bulk product uploads and large-scale data cleaning** for better catalog accuracy
- Integrated **payment gateways** like Razorpay, PayPal, and Stripe for secure transactions
- Worked with **Shopify APIs and third-party apps** to enhance store functionality
- Optimized website performance and fixed technical issues across devices
- Supported **1,200+ customers** with order, payment, and product-related queries

Software Developer Intern

Blue stock Company — Pune

- Built a **Job Portal web app** using the **MERN stack**, enabling job posting and application management for 500+ users.
- Implemented **JWT authentication** and **REST APIs**, improving system security and scalability.
- Developed **responsive UI components** with React.js and Tailwind CSS, enhancing load speed by 25%.

Projects

1. Bus Booking System

Built a web application to automate ticket booking, seat allocation, and service management for passengers and operators.

Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

2. Flipkart Clone

Created a responsive e-commerce website replica of Flipkart featuring product listings, login, cart, and checkout functionalities.

Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

GitHub: https://github.com/Deewakar2002Jha/Frontend_Flipkart_Clone

3 .Web Vulnerability Scanner Project — Cyber Security

Performed security testing on a sample web application to identify vulnerabilities and security risks.

Activities:

- Conducted network scanning using Nmap
- Identified open ports and active services
- Intercepted HTTP requests using Burp Suite
- Tested for common OWASP Top 10 vulnerabilities
- Prepared a vulnerability assessment report

Tools:

Nmap, Burp Suite, Kali Linux

3. AnimeEnsemble

Developed a MERN-based e-commerce platform to sell anime merchandise with user authentication, shopping cart, and product management.

Tech Stack: React.js, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript

GitHub: <https://github.com/Deewakar2002Jha/AnimeEnsemble>

4. Gobal Knowledge – Education Website

Created a full-featured LMS platform for course delivery, student enrollment, and progress tracking.

Tech Stack: HTML, CSS, JavaScript, PHP, MySQL

GitHub: https://github.com/Deewakar2002Jha/Gobal-knowledge_education_website

Volunteer Experience

NSS Volunteer – Ganpat University (2022–2024)

Participated in awareness campaigns and social service programs, supporting the college's community outreach initiatives.

Awards & Achievements

- Student of the Year – Ganpat University (2022)
- Best Web Designer – Ganpat University Tech Fest (2022)
- Winner – Presentation Competition – Inter-department College Event
- Football Team Captain – Represented and led college team in tournaments
